MINISTRY. MISSIONS. MOVEMENT.

What. A. Summer.

SEPTEMBER 2023

This summer was one of the most encouraging opportunities that I've been a part of in quite awhile. We were a part of 7 camps this summer that covered three states-Colorado, Oklahoma and Texas. God moved in major ways at these places, and here are some of the reports that we got back!

Over 6,000 total attendees (including adult sponsors)

Over 500 students surrendered to Jesus in salvation
187 students surrendered to a call to ministry/missions
Over 1,100 total spiritual decisions

Wow. That is the most decisions that we have seen in a summer setting in the history of M516, and all we have to say is, "All glory to Christ!"

The Lord is moving in our land, and I hope you are a part of this movement. One thing that the Lord impressed on my heart this summer is that "evangelism without discipleship is abandonment." You may not travel the nation and preach the Gospel, but you can help in this movement as a follower of Jesus by leading others to Jesus and then discipling them. Revival is close. I pray you're ready.

MINISTRY. MISSIONS. MOVEMENT.

This is Abby and Addi. I would ask that you would pray for both of these young ladies as they are dealing with major health issues at such young ages. Please pray for them daily.

Rick Ackerman

“Ryan does an amazing job communicating the gospel with clarity and passion! His messages are relevant, gospel centered, and equally inviting as they are challenging. This clarity allows him to lead an effective response time free of manipulation. Students clearly know what God is calling them to do, and are ready to respond by the end of each message.”

Ryan believes every student has a right to hear the message of Jesus Christ and decide how to respond to the Gospel. He recognizes that God can work through the youth today, regardless of age. As a youth leader, it's very apparent Ryan is secure enough in his own calling to champion others towards Jesus! Through Ryan's teachings the Kingdom has yielded tremendous dividends!

On September 21st we will celebrate 8 years as a ministry! Doesn't seem real. There are so many ways you can be involved in our ministry. We have a prayer team of over 250 people across the nation that pray for us constantly. Prayer is vital and powerful. We have several families, individuals, churches and businesses that are a part of our financial support team. We set a goal at the beginning of the year with our 50/50 plan. We are 15 slots away from seeing that happen. We have additional fund raising goals that will happen as soon as this one is completed. Please get involved. Please pray. Please consider giving. It's all about taking the Gospel to the nations. All glory to Christ!
