

It's a Marathon!

Recently as we celebrated 8 years of full time travel ministry, the Lord reminded me of something. This ministry isn't a 50 yard dash but is a marathon. A journey.

How long that journey lasts may be unknown, but we will continue to run this race as long as we can.

Whether it's speaking at a churchwide revival in Idaho, preaching at a camp in Oklahoma or encouraging student leaders in Tennessee, it's pointing people to the Gospel and encouraging them in the Lord.

With that being said, we want to invite you to join us in this race or continue it if you are already running with us. We are launching "The Marathon" fundraising campaign, and we want your partnership. We are going to send each donor a coin throughout the year as donations come in. This coin will serve to be a reminder for you to please pray for M516 as well as be a reminder of your partnership with us. Each coin will represent donation ranges for annual totals, which you will receive when your donations reach those levels.

One thing that is a monumental achievement for M516 is that in 8 plus years we have never told anyone, "no," due to finances. We have worked with different sized churches and budgets. It's because of our financial partnerships that we haven't declined any ministry opportunities. That's massive and is such a blessing! We have families, businesses, churches and individuals that make up our financial partnership team.

We hope that you will consider joining The M516 Marathon as we take the Gospel to the ends of the earth. It would be an honor to have you on this journey with us. Please share this card with someone who might be interested in helping us meet this goal. Here's information on different ways to make donations.
