A SUMMER OF KINGDOM IMPACT

What a summer that 2026 was for us here at M516! Multiple states, a variety of ministry opportunities, miles flown and miles driven. We had the privilege to minister to between 1,500-2,000 people! Colorado, Kansas, Missouri, Oklahoma and Texas were the areas that we were in. Salvations, calls to ministry and other spiritual decisions were witnessed. Summer 2027 camps are already booking as well! All glory to Christ!

At one of the camps that I spoke at, I was approached by a 13 year old young man that was extremely burdened over something. You could just tell that something was weighing heavy on his heart. He asked me, "Why do people say no to Jesus?" Through some continued dialog between him and I was followed by this statement, "I don't want my older brother to go to hell." That was the burden. That was the heartache. A young sibling who began to cry when we started talking about an older brother that wasn't only lost, but paid little to no attention to his younger brother. We ended our conversation as I prayed for him and his brother by name. I looked at him and said, "Never stop praying for your brother." He thanked me and walked away.

I could tell you story after story and conversation after conversation with people of all ages from this summer. I met a senior adult that has more passion for revival than I've seen in a long time. I met a youth pastor who was broken over his church to the point that when he returned he didn't know if he would be the youth pastor anymore. I saw tons of young people surrender their lives to Jesus and are now free.

This summer was even special for Karistin and Cross as they both attended Super Summer, Oklahoma and Cross went to Falls Creek with two different churches. While the summer is over, the fall is just now getting cranked up. From speaking at revivals, FCA events, to even teaching at our local church on Wednesdays, the fall and end of the year will remain busy. Keep praying for our family and our ministry. Blessed to still get to do what we get to do.

All glory to Christ!

In Him,
Ryan
