## WHAT A YEAR IT'S BEEN!

December 2022

2022 has been an incredible year for M516! We have seen so many lives changed for Christ this year! Wow, such a blessing.

God allowed us to add another state as we had the privilege to help lead a camp on the Kenai Peninsula in Alaska. I was able to preach there at a camp that celebrated its 10th year in existence. In the midst of seeing the Lord move it was a blessing to get to meet new students and leaders in the last frontier state!

In addition to camps, student retreats, revivals and FCA events we had the privilege to also speak at school events such as a baccalaureate. If there's one thing that I have a passion to pray for it's schools. All schools. All ages. This is an area of our nation that I urge each of you to pray for. Whether it's public, private, home or online, we need to pray for our schools.

One highlight of this year was when I had the privilege to preach at back to back revivals in Idaho and Utah. Talk about the Lord moving! He did! Revival is also something that I'm very passionate about, and it's something that we as a nation desperately need. In Idaho we had the privilege to see several things happen. A mother and her daughter surrendered their lives to Jesus along with others. We saw men and women go to the altar and bow their knees to pray that normally don't do that.

In Utah there were several adults that came to Christ. As a result I had the privilege to baptize several including a married couple. At the end of that service I had the honor to help a young guy surrender his life to Christ. He chose to be baptized right then and there. No change of clothes. No notice. Just baptism.

Keep in mind this was after the service was over, and an adult lady in the church, that had been saved but never followed through with baptism, asked if she could be! The answer was yes, and she was baptized right then and there. God moved in that Utah church in powerful ways that night. Three rows of people of all ages came forward to either follow Christ, repent and recommit their lives to Christ or even answer a calling to ministry/missions. Those are sparks of revivals my friends. May we continue to see that in our nation.

We are looking forward to seeing what God is going to allow us to do in 2023! We know that we will add Iowa to the states we get to minister in along with having the blessing to get to preach at the largest Christian camp in the world. Falls Creek. I get to preach at a camp that I've gone to for 36 years of my 46 years of living. Please begin to pray now for the fourth week of June. All glory to Christ!

As this year ends you have an opportunity to make a contribution to M516. We also have several that are monthly financial sponsors and we would be honored if you became a part of that team. If it wasn't for contributions we wouldn't be able to do what we get to do. You can mail your contribution to the address below or contribute online by scanning the QR code below.

Thank you in advance for your support.

All glory to Christ!
